LEGALITY WAS IN QUESTION

Groans and Cries of "Shame!" Greeted
Announcement That Premier of
England Had Asked That the Ceremonial Not Take Place—Archbishop
Asquith As Loyal Briton.

(By Associated Press.)
LONDON, Sept. 12.—The agitation by the extreme Protestants against the procession to be held tomorrow in connection with the Eucharistic Congress, has apparently ended with forcing the government's hand.

The announcement that Premier Asquith had intervened in the matter and that as a consequence there had been some modification in the arrangements, was made tonight at a mass meeting in Albert Hall, where it caused an uproar. The meeting was exclusively for men and it was attended by about 10,000.

Cries of "Shame!"
As soon as Cardinal Vannutelli, the papal legate took the chair, Archbishop Bourne arose and said he had received a communication from Premier Asquith on Thursday, deprecating Sunday's procession and advocating its abandonment. This announcement was greeted with groans and cries of "Shame!" by the assembly.

The archbishop insisted that if a change in the proposed program was necessary, Mr. Asquith must take the responsibility of making a public request. The premier replied that in the government's opinion, it would be better in the interest of order and good feeling that the proposed ceremonial, the legality of which was open to question, should not take place.

Archbishop Bourne stated that he had replied to the premier that "in deference to your wish all the elements of an ecclesiastical ceremony would be eliminated. The procession of cardinals and bishops will walk in court dress and we expect the government to ensure our comfort and courtesy to our honored guests."

Bigoted Dictation Resented.
The archbishop added, that the ceremonial procession would be held within the cathedral walls and that the benediction would be given to the multitude from the balcony of the cathedral. He asked all to loyally accept the arrangement, and behave with dignity and respect. Himself a loyal Englishman, he felt that it was his duty to conform to the publicly expressed wishes of the constituted authorities, but he was not prepared to submit to the bigoted dictation of the Protestant alliance.

He expressed the hope that all the people would come to honor the report of the Holy See. "Though not permitted," he said, "to carry our Divine Master with us, I trust that all present by the fervor of their singing will make not only of the cathedral but of the whole of Westminster, one great sanctuary of the Blessed Sacrament."

During the course of the meeting a message was read from the Pope expressing the greatest satisfaction at the successful inauguration of the congress and blessing with all his heart the bishops and clergy who had contributed to the solemn manifestation of Catholic faith among the English people.

The Eucharistic congress is the largest meeting of Roman Catholics in Great Britain since the Reformation, and nearly 2,000 ecclesiastics from all parts of the world are gathered in London.

Besides the clergy there are many of the Catholic laity here, citizens of France being in the majority. Ireland has sent more church people than any other section. A most unforeseen result of the congress is the religious feeling it has caused.

Fear Designs Upon Protestantism.
Judging from the numbers of letters which have poured into the newspaper offices from Protestants, considerable feeling exists among a certain number of members of the established church that the church of Rome should have chosen London for such a meeting. They apparently regard it as a movement on the part of the English. On the other hand, many Protestants write urging that the visitors be given the fullest exhibition of English liberty and toleration.

The danger of unpleasant scenes during tomorrow's procession does not appear at present to be very great, but there are a few rabid spirits here, like the members of John Kenstis' anti-ritualistic league, who do not hesitate to try to break up services in their own church when these displease them. The same element may attempt an outbreak tomorrow.

A large force of police will guard the procession and reserves also have been ordered to be in readiness.

(By Associated Press.)
RICHMOND, VA., Sept. 12.—Rev. Dr. W. J. Young, of Danville, has the following card in the Lynchburg News today:

"Editor of the News:
"I have been greatly surprised to hear that it is reported in Lynchburg that I accused the trustees of Randolph-Macon College of stealing in the much-discussed Carnegie matter. This report is false.

"What I think, the trustees have, without intending so to do, committed a blunder, which has injured the church and the kingdom of Christ, it has never entered my head to accuse them of theft.

REPORTS EXAGGERATED.
Probably No Lives Lost in West Indies Hurricane.

(By Associated Press.)
GRAND TURKS ISLAND, B. W. I., Sept. 12.—The damage caused by the furious hurricane that swept over Turks Island on the night of September 10, is not as great as was feared. Only one schooner, the Don Leon, belonging to the East Calcas Fibre Company, was lost. Her crew was saved. There were no foreign vessels on this coast when the hurricane reached here.

Considerable damage was done at Salt Cay, though no deaths resulted. No reports as yet have been received from the Calcas Islands. Dr. T. R. Robertson, district commissioner of Calcas, who was making a trip through the islands when the storm broke, is probably safe.

Certificate Issued by Referee in
Bankruptcy in Pittsburg.

LAWYER WANTED ON HIS INCOME

Believed Referee's Certificate Will
Be Filed in United States Court as
Rule Asked for to Compel Thaw
to Appear in Pittsburg.

(By Associated Press.)
PITTSBURGH, PA., Sept. 12.—Up to the application of W. C. Boyd, a lawyer of Poughkeepsie, N. Y., Referee in Bankruptcy William R. Blair, day issued a certificate stating that Harry K. Thaw had failed to appear at the hearing of his creditors this city last Friday morning, and having been summoned to do so.

The certificate of Referee Blair which practically holds Thaw in contempt of the United States court, was only granted after Alney Boyd had gone through a legal formality required by the referee. It is now believed that Boyd will file the certificate in United States court and ask a rule to force Thaw to come to a hearing, and show cause why he is not being punished for contempt. It will probably be done next week.

In presenting the petition for the certificate, Attorney Boyd, who represents a Poughkeepsie hotel, stated that Thaw's presence was required for the purpose of examining the records of the hotel, and in reference to the income derived from his father's estate, and that Roger O'Mara, trustee, who returned from Poughkeepsie, had said Thaw was still there, particularly anxious to go to the city at this time unless he was wanted him to.

MOVING PICTURES MIXED
WITH CANNED SPEECHESLatest Campaign Novelty Sprung by
Chairman Mack—Mr. Bryan to be
Seen and Heard Mechanically.

CHICAGO, ILL., Sept. 12.—Another feature, besides the talking machine with records of the speeches of candidates, has been added to the novelties of the presidential campaign by the Democratic national committee, which today announced the moving pictures of William J. Bryan in Chicago on Labor Day would be thrown up on the canvases at political meetings all over the country. When the pictures show Bryan speaking the candidate's voice will be heard from the phonographic record of the Labor Day addresses.

National Chairman Mack, and heads of the committee bureau, today witnessed a reproduction of the Bryan Labor Day scenes by the moving picture machine. The pictures show Mr. Bryan's arrival at the station and his reception by the crowd at the hotel. Later the candidate is disclosed reviewing the big Labor Day parade and acknowledging the cheers of the marchers after which Mr. Bryan is shown making a speech to the laboring men assembled around the reviewing point of the parade.

National Committeeman Johnson, of Texas, left for New York today to confer with Senator Culberson, head of the advisory committee.

PORTLAND, ME., Sept. 12.—The last words from the stump in the fall campaign in Maine were spoken tonight and on Monday the voters, thoroughly familiar with the issues at stake, which are local rather than national, and deal with the questions of liquor selling, taxation and reform in the administration of the State business, will decide the contest between the two leading political parties with Bert M. Fernald, of Portland, leading the Republican ticket, and O. Adah Gardner, of Rockland, that of the Democrats.

In the campaign also are Prohibitionists and Socialists tickets, headed respectively by James H. Amos, of Bowdoinham, and Curtis A. Perry, of Portland.

The Independence league made no nominations. In addition to Governor, four congressmen are to be chosen, two of whom are seeking reelection; a state auditor; members of the legislature and county officers. The liquor question overshadows all others. The Republicans stand for a strict enforcement of the prohibition law. The Democrats favor a re-submission of the question of permitting the sale of liquor to the people.

COURTLANDS RELEASED;
POLICE WANT FLOWERNo Case Made Against Alleged Swindlers—Mrs. Hagaman Refused
to Appear as Witness.

(By Associated Press.)
RICHMOND, VA., Sept. 12.—Mrs. H. R. Courtland, whom the police authorities say they believe to be the wife of "Dr." R. C. Flower, and Charles Edward Courtland, a relative, whose case has attracted wide-spread interest, were arraigned in the police court here today on a charge of being fugitives from justice from New York.

Mrs. Lindsay-Hagaman, whose name has figured conspicuously in the mystery here, in which the police of New York, Philadelphia and Richmond are taking a hand, refused to appear as a witness today and the cases against the Courtlands were dismissed without any sensational developments.

Papers were issued this afternoon for the attachment of the baggage of Mrs. Hagaman for the satisfaction of a debt of \$4,000 alleged to be due by her husband to the Litchenstein Millinery Company, of New York.

"Dr." Flower Much Wanted.
The police of New York have urged the local authorities to make every effort to arrest "Dr." Flower, who is wanted in New York for having forfeited a \$25,000 bail bond, when arrested on a charge of grand larceny.

The police of Philadelphia also say that he escaped from there after he had been arrested as a fugitive from New York and was being held for extradition.

The police justice received a telegram from New York today stating that the Courtlands were not wanted in that city.

Speeches Were Delivered to Audi-
ence of Farmers and Laboring

port Four Years Hence, Is False.

(By Associated Press.)
CUMBERLAND, MD., Sept. 12.—Farmers and laborers from three states, Pennsylvania, West Virginia and Maryland were addressed here by William J. Bryan today and tonight.

The first speech was in the afternoon to the farmers, and the second principally to laboring men, largely miners. In both instances, the Democratic candidate reiterated his views concerning Mr. Taft and his attitude toward the Republican platform. The tariff, trusts, publicity of campaign contributions, guaranty of campaign deposits and the labor question were discussed at length. Mr. Bryan's remarks, his speeches in those delivered in West Virginia, Ohio and at Wheeling, were made.

The afternoon speech was made under a blazing sun whose rays beat pitilessly down upon the speaker and the great crowd which stood in the city hall place to hear him. A woman directly in front of the platform was overcome by the heat. Mr. Bryan, observing her illness, suspended his remarks and waited until she had been taken away before resuming.

Had a Ride and a Rest.
Arriving here at 8 o'clock in the morning, in his special car "Olivette" he was at once taken in hand by Mayor Kean, John Keating, John Brophy and other prominent Democrats of the state. A program of entertainment had been provided and the Democratic candidate after breakfast was taken on a long auto ride over the city, and the surrounding country. No speech making was indulged in on the trip, but on the return Mr. Bryan had a reception on the porch of the hotel. The arrangements for his visit also included an opportunity to rest up from his arduous work of the week.

Mr. Bryan gladly availed himself of this part of the program and slept for a couple of hours.

The largest gathering was tonight, when the Democratic candidate in talking to the laboring men, pointed out what the Denver convention had done for them in promising remedial action effecting the laboring man's status. His remarks were roundly cheered.

Will Confer With Davis.
Mr. Bryan accompanied by Democratic National Committeeman John T. McGraw, of West Virginia; former Governor Jennings, of Florida; Secretary Rose, and the correspondents, left here at 9:40 o'clock tonight for Deer Park, where they will be the guests until Sunday night of Mr. McGraw. There, Mr. Bryan is expected to meet Henry Gassaway Davis, former Democratic candidate for vice-president, with whom it is presumed, Mr. Bryan will confer on political topics.

Says Hearst's Statement False.
William J. Bryan will not permit himself to be drawn into any personal discussion of William R. Hearst in connection with the latter's statement made in Atlanta last night, and again today that Mr. Bryan had asked the support of Mr. Hearst in the present campaign, promising to return the support of Mr. Hearst in 1912.

"There is nothing to say," said Mr. Bryan to the Associated Press, "except that the statement of Mr. Hearst is absolutely false in every particular. I met him at his house and also at the house of Dr. John W. Cox, some time last fall or winter, but at neither place nor anywhere else was there any conversation which by any possibility could be distorted into such a proposition."

Men.

(By Associated Press.)
ST. LOUIS, MO., Sept. 12.—"I doubt if the whole history of law-making in this country discloses such a record of ignoring, evading, and defying law as has marked the course of the interstate commerce laws. Its purposes have been defeated through technicalities. But it must not be assumed that the effort toward government regulation of interstate commerce has been, is, or will be a failure or that it will be abandoned in despair. There will be no vindictiveness, no playing to the galleries and no partiality in administering the law as laid down by Congress, but there will be firm purpose and an earnest effort to enforce its full intent."

This statement was made by E. E. Clark, interstate commerce commissioner, in an address this afternoon before the annual convention of the American Association of Freight Traffic Officials.

(By Associated Press.)
OMAHA, NEB., Sept. 12.—The insurance companies have taken a hard line in the Dr. Frederick Rustin murder mystery and today three different companies filed petitions in the district court asking that the testimony of both Mr. Davis and Mrs. Rice be perpetuated. A list of questions which was attached to the petition proposed to Davis and Mrs. Rice the question covering practically same ground as that covered at inquest. The purpose is to have testimony of these two witnesses proper legal form to present as evidence in case either should leave jurisdiction of the Omaha courts.

The insurance companies signed the petition are the Aetna Life Insurance Company, Hartford, Conn., which had a \$100,000 policy on Rustin's life, and the Farmers Insurance Company, of Hartford, Conn., and the Employers' Liability Insurance Company, of London. Each of the latter two have \$5,000 on Rustin's life. Each policy is a clause disclaiming the insurance in case of influence of intoxicants or in case of suicide.

It was stated today that E. Davis, charged with murder, has a fortune amounting to about \$75,000, which came to him from his father's estate. The money is invested in stocks and bonds. He is a member of the First National Bank.

Mr. Davis' wife is coming here from California. Mrs. Davis family decline to discuss the case. Mrs. Davis has been fully informed of the charges against her husband.

Mr. and Mrs. Davis have been married for about seven years, but he has made regular remittance for the support of his wife and daughter, who have lived in several places along the separation, including two years in Paris, where the daughter studied music.
